Explanatory phases are given with each entry for ease in finding the subject material desired. Explanations reflect opinions of the contributing authors, not necessarily the opinions of CHRISTIANITY TODAY.

Individual book reviews are identified by (B) preceding page number and date. Book reviews are listed topically, as well as by title and author of book. Reviewer's name appears within parentheses. Ideas in Print is treated as a department, separate from the individual book reviews that follow.

Scripture verses in CT are indexed in a separate section. Verses in Ideas in Print and book reviews are not indexed.
